## WHAT IS LIFE LAUNCH?

LifeLaunch is a program for young adults who have been involved with the criminal justice system. According to U.S. Department of Labor estimates, more than 650,000 people are released from prison every year. LifeLaunch provides access to employment, training opportunities and support services to young adults between the ages 18 and 24 who are re-entering the workforce in high-demand industries such as hospitality and tourism, broadband (C-tech), Microsoft Office technology certification, and digital literacy certification.
