Financial Responsibility

When a student registers for any class at GTC, the student is making a financial commitment to pay all tuition, fees, and other associated charges assessed as a result of the student's enrollment and/or receipt of services. The student's registration and acceptance of these terms constitutes a promissory note agreement in which GTC is providing the student educational services, deferring some or all of the student's payment obligation for those services, and the student promises to pay for all assessed tuition fees, and other associated costs by the published or assigned due date. Students are expected to meet their financial obligations in a timely manner and to understand that failure to do so will result in further action to collect the balance due.
